

## INTENDED USE

Universal ETIN™ Tubing bracket to be installed with single bolt on Mekano, UNO or directly fasted on steel using Hilti S-BT M10.

M6 Bracket suitable for M6 UNO nuts or other applications with M6 bolts.

M10 Bracket can be used on UNO, Mekano or using FoS Hilti S-BT M10.

## INSTRUCTION FOR USE

Fix bracket loosely to structure using self locking bolts. Adjust and tighten securely.

ETIN™ tubing clamps can then be fixed to the bracket.

See ETIN™ user guide for fitting instructions.
