

INTENDED USE

Interface brackets for supporting SPBE or SPF-RF trays under OE cable ladders, or from other support structures. Interface brackets are available in different lengths. The approximate height between different ladder and tray combinations are shown for comparison.

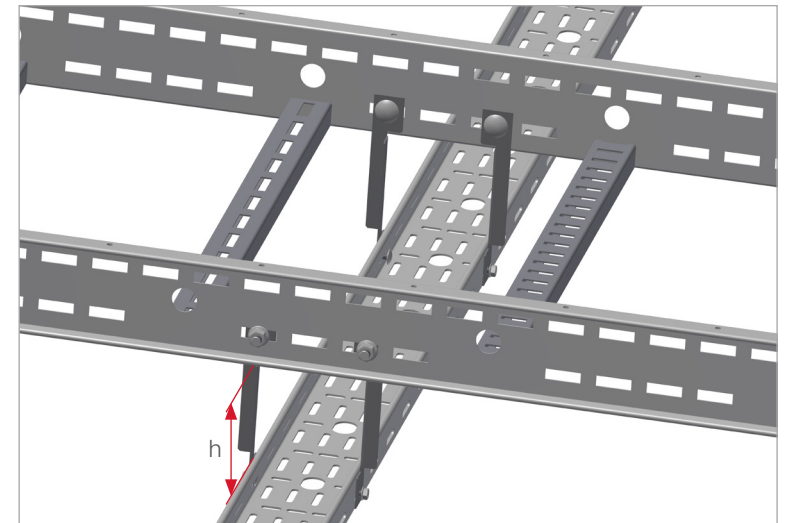

INSTRUCTIONS FOR USE

Attach the bracket loosely with self locking bolts. Adjust and tighten securely.

A-OE/SPB-RF-IF-177

Combination	h (mm)
OE/SPBE	112
OE/SPB-RF	99

A-OE/SPB-RF-IF-97

Combination	h (mm)
OE/SPBE	32.2
OE/SPB-RF	20
